

## DAY 3. Peristaltic Metaphysics and the Invention of Pepsi

---

**PEPSI**

*Exhilarating, Invigorating, Aids Digestion.*

1903-Exhilarating,  
Invigorating, Aids Digestion

food alike those pure

Intelligential substances require

As doth your rational; and both contain

Within them every lower faculty

Of sense, whereby they hear, see, smell, touch, taste,

Tasting concoct, digest, assimilate,

And corporeal to incorporeal turn. [PL; v.407-13]

For know, whatever was created, needs  
To be sustained and fed; of elements  
The grosser feeds the purer, earth the sea,

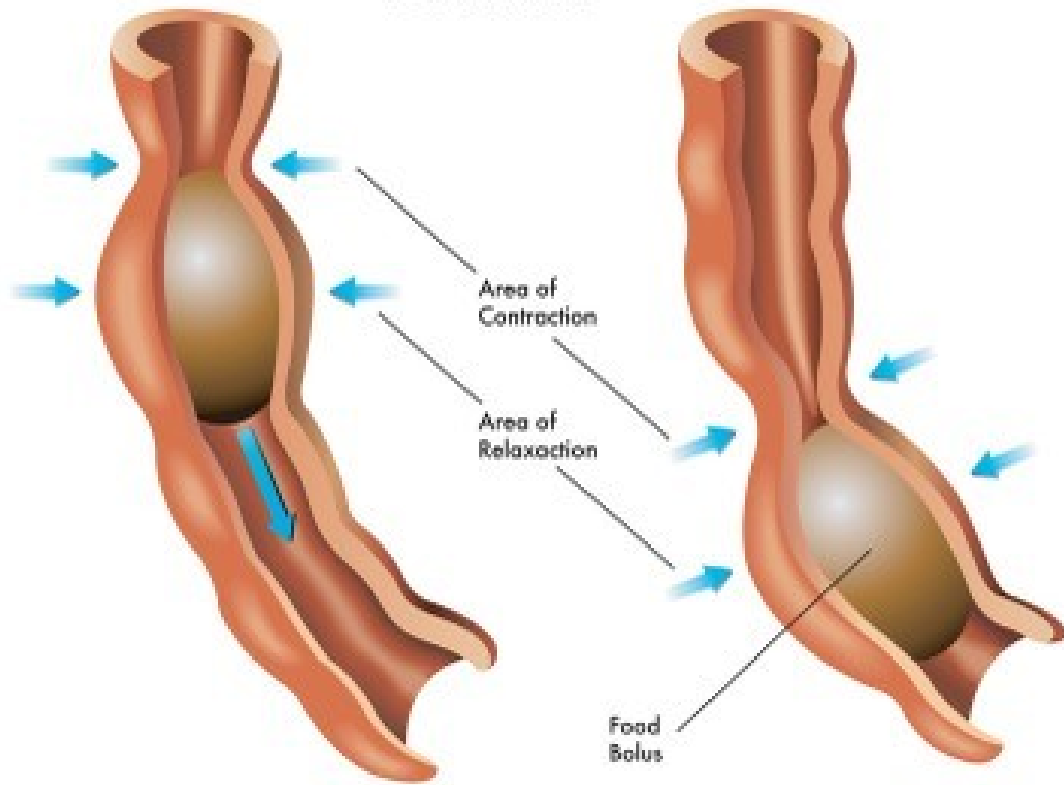

Earth and the sea feed air, the air those fires  
Ethereal, and as lowest first the moon;  
Whence in her visage round those spots, unpurged  
Vapours not yet into her substance turned.  
Nor doth the moon no nourishment exhale  
From her moist continent to higher orbs.  
The sun that light imparts to all, receives  
From all his alimantal recompense  
In humid exhalations, and at even  
Supps with the ocean [PL; v.414-26]

what redounds, transpires  
Through spirits with ease [PL; v.438-9]

## Peristalsis

Millions of spiritual creatures walk the earth  
Unseen, both when we wake, and when we sleep:  
All these with ceaseless praise his works behold  
Both day and night: how often from the steep  
Of echoing hill or thicket have we heard  
Celestial voices to the midnight air,  
Sole, or responsive each to other's note  
Singing their great Creator? [PL; iv.675-82]

[e]very stratum is a judgement of God; not only do plants and animals, orchids and wasps, sing or express themselves, but so do rocks and rivers; every stratified thing on earth.[note]Deleuze and Guattari, *A Thousand Plateaus* (Continuum, 2004), 49.[/note]

[t]he strata are judgements of God; stratification in general is the entire system of the judgement of God (but the earth, or the body without organs, constantly eludes that judgement, flees and becomes destratified, decoded, deterritorialised).[note]Ibid.[/note]
