

Critique, minorities

Deepening the decadence of the True

Science between power and inventiveness

"What are you doing after the orgy?" asks Gudrun Ensslin.

Decadence of the idea of labor

The lie as perspective

Minorities as perspective

Opportunity as perspective

An effectiveness without third-party

This essay was translated for Vast Abrupt by Taylor Adkins. Other translations by Adkins can be found at [\[redacted\]](#) and [\[redacted\]](#). Adkins is also the host, with Joseph Weissman, of the philosophy podcast [\[redacted\]](#). You can support Theory Talk and their continued good work through [\[redacted\]](#).
